

"Love each other as Jesus has loved us. He has given nothing less than his life for us." St Teresa of Calcutta

Catholic Life

In this Sunday's Gospel, Jesus is asked a tricky question about whether people should pay taxes to Caesar. Jesus asks whose image is on the coin and then reminds them to "give back to God what belongs to God."

For our children, this Gospel gives us a lovely reminder that we belong to God. Just as the coin carried Caesar's image, each one of us is made in God's image. We belong to God, and our lives are a gift from Him. We can show that we belong to God through the way we love, care for others, forgive, share, make peace and use our gifts to help those around us.

This week, as a family, how can you give back to God what belongs to Him?

Perhaps by being kind to someone who is lonely, helping at home, caring for God's creation, making peace after an argument or simply remembering to thank God for all that we have

Awe and Wonder

How do you say the "Hail Mary"?

**Hail Mary,
full of grace, the Lord is with thee.
Blessed art thou amongst women
and blessed is the fruit
of they womb: JESUS.
Holy Mary, Mother of God,
pray for us sinners
now and at the hour of our death. Amen**

Year 4 Assembly

A huge well done to our wonderful Year 4 children who shared their learning with us in their class assembly today. We were so proud of the confidence they showed as they spoke clearly and projected their voices to an audience, with many children learning and performing some very long pieces of text as part of their oracy development.

They shared their fascinating learning about the Ancient Egyptians, brought their *Talk for Writing* work on *How to Train Your Dragon* to life, and showcased their DT dragon eyes, which they had designed and created themselves.

They also shared their RE learning about Joseph, his dreams and his brothers, demonstrating the breadth of their learning across the curriculum.

They finished their assembly with a fantastic rendition of "Stay With Me" by Sam Smith, on the ukulele.

It was wonderful to see the children speaking and performing with such confidence, enthusiasm and pride. **Well done Ravens!**

With God's Love, we can be our best.

The Eco Ambassadors had a very busy session this week organising two events for next term, both linked to our Fast Fashion topic. We are delighted to bring back two very successful events from last year:

- Upcycling Workshop
- Fashion Swap Shop (more information on this next term)

Once again, we are asking for your help!

Our upcycling workshop will involve upcycling an item of clothing to show how people can give new life to old items! This could include turning an old pair of jeans into some shorts, turning an old top into a crop top, embellishing a dress or jacket with some patches or sequins or completely repurposing an item of clothing into something else.

We are asking for donations of haberdashery items to help us with this project; ribbons, buttons, patches, bows, sequin ribbons, fabric pens, fabric trimmings and any old fabrics you have lying around that we could cut up and reuse!

There will be a labelled box left outside the office area for the purpose of collecting your donations. Please kindly leave your donations in this box. The upcycling session will take place during our Eco Club session on Wednesday 11th November so members of Eco Club will be reminded to bring in an old item of clothing for this session.

On behalf of all the Eco Ambassadors, thank you so much in advance for all your support with this project – we can't wait to show how fashion can be made more sustainable!

With God's Love, we can be our best.
